Case Number: 2020CH03843

Jury Demand

COMPLAINT AND REQUEST FOR DECLARATORY RELIEF

Plaintiff, MAILLARD TAVERN, LLC, by and through undersigned counsel, states as follows for its Complaint and Request for Declaratory Relief against the defendant SOCIETY INSURANCE, INC.:

I. INTRODUCTION

Plaintiff Maillard Tavern, LLC bring this action against Society Insurance, Inc., for its failure to honor its obligations under the commercial businessowners insurance policy issued to it. Plaintiff made premium payments expecting in its time of need, Society Insurance would make good on its contractual obligations under the policy they wrote and issued. Then last month, Plaintiff was forced to shut down its business due to the COVID-19 pandemic. Specifically, on March 15, 2020, during the term of the policy issued by Society Insurance to Plaintiff, Illinois Governor Pritzker issued an order first closing all restaurants and bars to the public in an effort to address the pandemic.

Clearly, the losses plaintiff sustained are through no fault of its own; rather, they are part of the State's efforts to slow the spread of the COVID-19 global pandemic. To protect its businesses, including its employees, from a situation like this, plaintiff procured business interruption insurance from Society Insurance. In pertinent part, the policy was intended to provide coverage – and in fact does provide coverage – for losses incurred due to a “necessary suspension” of its operations, including when its businesses are forced to close due to a government order. But despite Society Insurance's express promise in its policy to cover the plaintiff's business interruption losses when the government forces them to close, Society Insurance has failed to pay claims.

As a result of Society Insurance's failure to pay plaintiff's claims, plaintiff is compelled to take legal action and file this action for a declaratory judgment pursuant to 735 ILCS 5/2-701 establishing that it is entitled to receive the benefit of the insurance coverage it purchased and for indemnification of the business losses it has sustained.

II. PARTIES, JURISDICTION AND VENUE

1. Plaintiff MAILLARD TAVERN, LLC (“Plaintiff”), is a limited liability corporation organized under Illinois law with its principal place of business in Chicago, Cook County, Illinois.

4. Defendant Society delivered the Policy to Plaintiff in Chicago, Cook County, IL. The Policy insures Plaintiff’s property, business operations, and potential liabilities in connection with its business operations, and the covered losses at issue were incurred by Plaintiff in Cook County. The only issue in this case is the interpretation of the policies which is governed by Illinois law, making venue appropriate in this Court.

40. On March 15, 2020, Illinois Governor J.B. Pritzker issued Executive Order 2020-07 stating “it is necessary and appropriate for the State of Illinois to immediately take measures to protect the public’s health in response to this COVID-19 outbreak.” With this goal in mind, Governor Pritzker ordered that all bars and restaurants close to the public effective March 16, 2020 to March 30, 2020 (later extended to April 30, 2020 per COVID-19 Executive Order No. 16) and prohibiting all public and private gatherings of 50 people or more, in addition other strict mandates. This order was in response to the physical presence of COVID-19 and the Pandemic.

41. The stated goal of this order was to slow the spread of COVID-19 by minimizing in-person interaction in an environment with “frequently used services in public settings, including bars and restaurants...” The March 15th order further

provided that “the ongoing spread of COVID-19 and the danger the virus poses to the public’s health and wellness require the reduction of on-premises consumption of food and beverages.”

42. On March 20, 2020, Governor Pritzker issued a Closure Order (Executive Order 2020-10) (a.k.a., a Stay At Home Order) requiring all Illinois residents to stay at home barring exceptions such as essential travel for essential work or supplies, exercise and recreation, through April 7, 2020. Moreover, the March 20th order reduced the allowable public and private gathering size to no more than 10 people. The March 20th order was again in direct response to the continued and increasing presence of the coronavirus on property or around Plaintiffs’ premises.

43. Like the March 16, 2020 Closure Order, the March 20, 2020 Order prohibited the public from accessing Plaintiffs’ restaurants, thereby causing the necessary suspension of their operations and triggering the Civil Authority coverage under the Policy.

50. COVID-19 and the Pandemic are physically impacting public and private property in Illinois and throughout the country.

62. Plaintiff submitted a timely insurance claim to Defendant Society.

63. Defendant Society has denied Plaintiff's claim.

Plaintiff is entitled to declaratory relief from this Court pursuant to 735 ILCS 5/2-701.

65. Plaintiff is entitled to and demands a declaration that:
 - a. Plaintiff sustained direct physical loss or damage to property at its premises described in the Policy as a result of COVID-19 and/or the Pandemic;
 - b. COVID-19 is a covered cause of loss under the Policy;
 - c. the Pandemic is a covered cause of loss under the Policy;

 - i. Any other issue that may arise during the course of litigation that is a proper issue on which to grant declaratory relief.

66. Plaintiff does not seek a determination of its damages resulting from COVID-19 and/or the pandemic. If there is a dispute between the parties as to the amount of the loss, the Policy provides that such a dispute should be resolved by

Appraisal:

Appraisal

If we and you disagree on the amount of “Business Income” or Extra Expense “loss”, either may make written demand for an appraisal of the “loss”. In this event, each party will select a competent and impartial appraiser.

The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the amount of “Business Income” or Extra Expense “loss”. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding.

Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we still retain our right to deny the claim.
(TBP2 05-15)

67. Plaintiff prays for declaratory relief from the Court that Defendant Society must resolve any dispute about the amount of loss via Appraisal. Plaintiff also requests the Court to appoint the umpire if the appraisers cannot agree.

68. Plaintiff prays for any further relief the Court deems proper, including attorney fees, interest, and costs as allowed by law or in the exercise of the Court’s equitable jurisdiction.

WHEREFORE, Plaintiff seeks judgment against Defendant Society, as set forth above, plus interest, costs, and attorney fees as allowed by law.

DEMAND FOR TRIAL BY JURY

Plaintiff demands a trial by jury of all issues herein so triable.
